— he has higher negative ratings than any past nominee in either party since polling began — with limited options to remake himself. They also doubt that he wants to change his style.

"I'm not expecting a lot of 'Etch A Sketch' with this guy," said Garin, a Democratic pollster and an adviser to Priorities USA, the pro-Clinton super PAC. "Not that it wouldn't be the right thing to do." Garin was referring to the popular children's
