

Tanana District 4-H Special District Awards

Each year the Tanana District recognizes youth, leaders, 4-H families and community members with the following special district awards. Any leader, parent or youth can nominate someone to receive these awards. Final decisions on the recipients are decided by the Merit Award Committee. When nominating someone for these awards it is important to give a complete description of why they should receive the award. Remember all committee members do not necessarily know everyone that is nominated and the actual nomination with the description of why the award should be awarded is a large factor in deciding who will get these awards.
