

White paper or cardstock, paper plate, shaving cream, food coloring, popsicle sticks, pipe cleaner, markers, scissors, glue, ruler or piece of cardboard.

Spray a layer of shaving cream on the paper plate. Smooth it out with a ruler or piece of cardboard.

Drop a few drops of food coloring on the shaving cream. Use a popsicle stick to swirl the colors.

Food coloring can stain clothing, skin, or surfaces.

Place a piece of white paper or cardstock on top of the colored shaving cream, and lightly press down.

Peel the paper off, and scrape off the remaining shaving cream with a ruler or a piece of cardboard.

Let your artwork dry for a few minutes. Cut out two butterfly wing shapes. Make sure the two shapes are mirror images of each other!
