going down for A Hook shot!

When I first arrived at RAHI, I thought that the program would mean homework all of the time, but we had fun too. After I found out that it wasn't all work I started to enjoy it. I had a great time during my stay.

trips.

During my six weeks of stay at RAHI, I have had many good experiences. I met a lot of people and made a lot of good buddies during this program.

Not only have I

made friends with some students, but I have

also met with the teachers and the staff as well.

They can be a great source of guidance sometimes.

that I will miss from RAHI it will be

the friends that I

have made.

The class that I liked the most

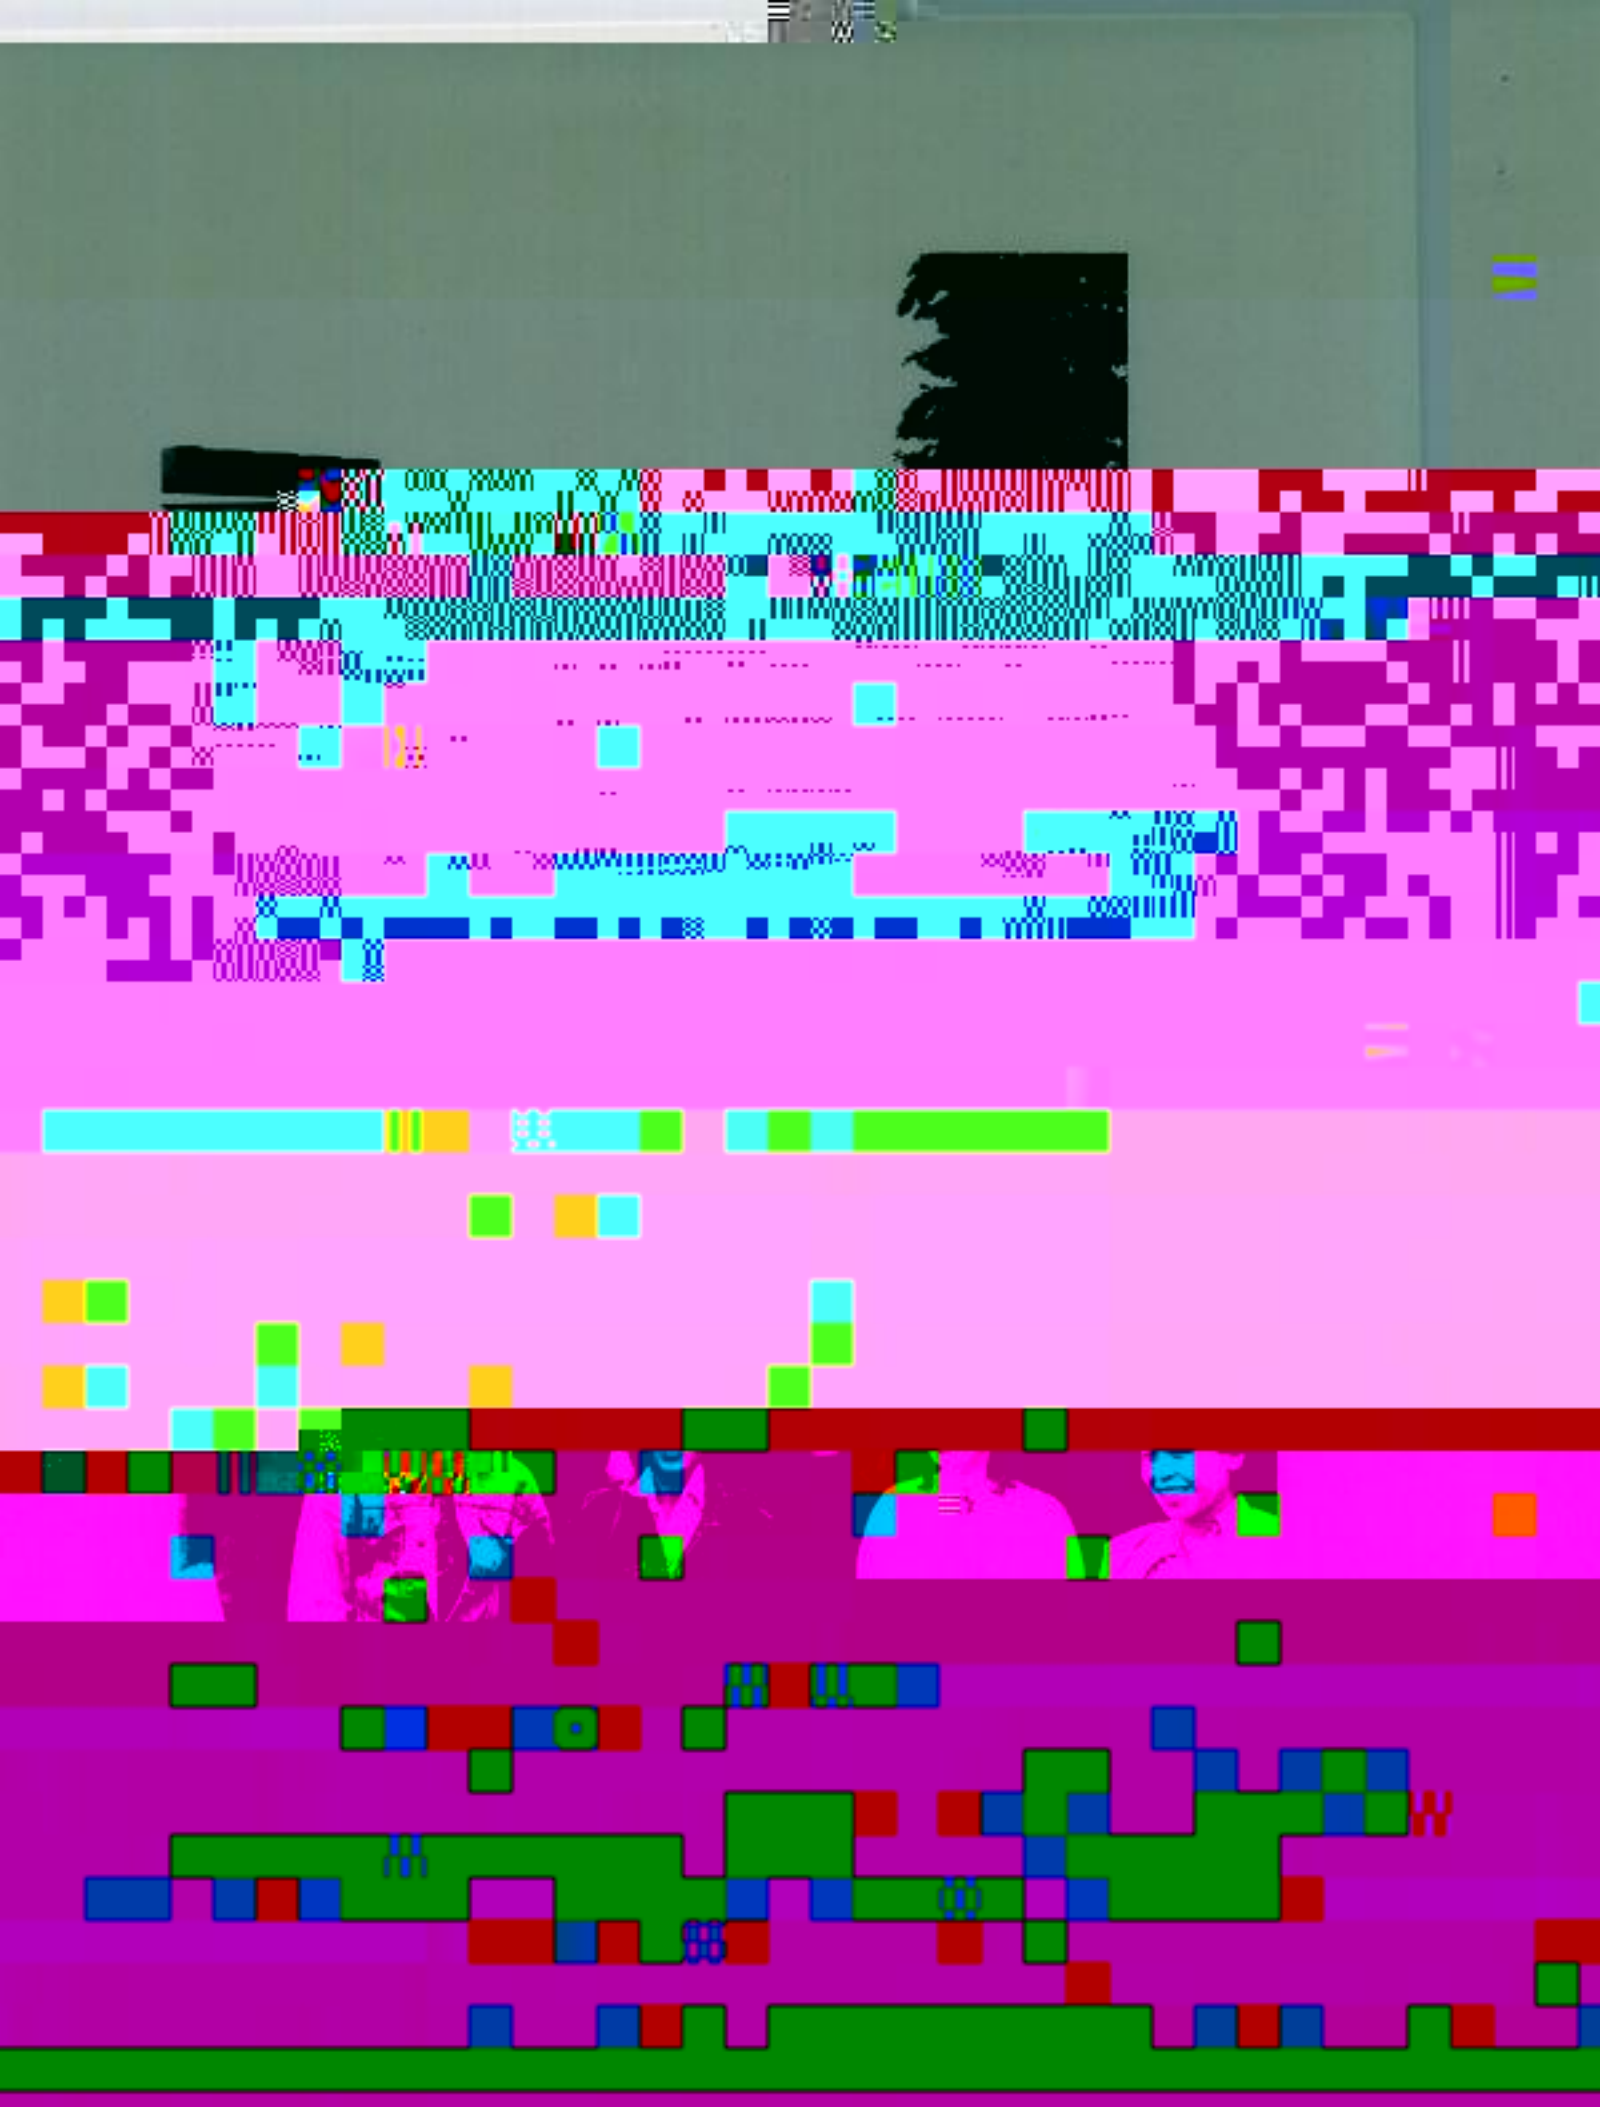

first I thought engineering was going

to be hard, but because I

didn't know anything about it

that I didn't realize I would miss it so much. I wouldn't have done on all those fun canoe trips. I wouldn't have missed this experience for the world.
